Phone calls must be made as follows: CQ IQRP Marathon from (CALL) QRP

POWER

Maximum power allowed: 5W

SCORE

2 point for each QSO in CW. 1 point for each QSO in SSB RTTY PSK. Only the Km of the QSO with greatest QRB are considered as a multiplier, which is calculated by dividing the number of Km by 100 (Km/100) .

RANKING

A separate ranking will be drafted for each week and published **www.arimontebelluna.it**. The final ranking will be the sum of each score.

LOGS

The logs of each week will be mailed within the following two weeks only in ADIF format in attachment to iqrp@arimontebelluna.it. The two locators (both of the participant and of the OM with whom QSO with the best QRB was made) will be indicated in the body of the message in order to calculate the multiplier. In absence of locators no multiplier will be calculated. Printed logs or in other formats will not be accepted.

AWARDS

The first three stations of the ranking of each quarter will be awarded.

Furthermore the first three stations of the final ranking will be awarded.

More information will be made available on the website www.arimontebelluna.it .
